

## Discover the Dronne by canoe or kayak

The canoe and kayak club at Aubeterre will ensure you enjoy a warm welcome and a relaxing day on the river Dronne. The river takes you past several beauty spots and there are several opportunities to stop for a relaxing picnic or (swimming) break. The sealable containers provided allow you to bring food and/or to keep your clothing dry during your trip. Rental is available per hour, half or full day and in terms of trips you will have the choice of different distances: 5, 10, 15 or 50 km. The club will drop you off at the starting point of your trip, from which you can paddle at your own pace, follow the river and enjoy the beautiful surroundings.
