

## Sea, beach, strolling and enjoyment in Cap Ferret

The peninsula of "Lège Cap Ferret", which is located in the Gironde department about 30 minutes from Bordeaux and 1.5 hours drive from Aubeterre, offers everything for the ultimate weekend getaway: the Atlantic Ocean, beautiful quiet beaches, dunes, huge waves; the bay of Arcachon and the sophisticated city of the same name; its surrounding fishing villages, picturesque oyster harbours with colourful little wooden houses; a remarkable area of natural beauty with vast pine forests, trendy boutiques, markets, fresh oysters and other delicacies from the sea; in short, too many attractions to mention.

The charming village of "Cap Ferret" is a cape on the peninsula, which separates the bay of Arcachon and the Atlantic Ocean. The cape is mainly known for its lighthouse which is 53 metres high. The platform of the tower offers a panoramic view of the rugged Atlantic Ocean, the basin of Arcachon and the huge dune of Pyla (the highest dune in Europe).
