

Vineyard and B&B Château Fayolle-Luzac

In the late '90's Rita and Maarten van Kempen decided to switch the Netherlands for an adventurous life in "la douce France". Since 1998, they are the proud owners of "Château Fayolle-Luzac" in Bergerac and producers of fine wines under the same name. Besides an extensive tour, including a walk through the beautiful vineyards and of course a wine tasting, you are also welcome for a delicious homemade lunch, dinner or overnight stay. Comfortable rooms, beautiful scenery, a pool, wine, good food and Dutch hospitality; in short..... just perfect!
