

A day of golf at Longueveau Country Club

"Manoir de Longueveau" was originally a cognac estate, tastefully transformed into an ideal location for holidays, relaxation and leisure. The estate is situated in a valley surrounded by the breathtaking natural scenery of the south Charente. The varied options in terms of facilities and the presence of tastefully restored cottages, suitable for couples, families or larger groups, give Longueveau Country Club a very relaxed and welcoming atmosphere. The facilities offered include: a bar-restaurant, a 9 hole golf course, tennis courts, holiday cottages, and swimming pools.
