

## The culinary evenings of Le Pizou

In July and August you cannot afford to miss the culinary evenings in "Le Pizou". Every Tuesday from 6:00 pm on more than 1000 visitors install themselves in the large square near the church. Long tables full of good-natured people surrounded by a variety of stalls serving up regional culinary delights. Shoulder to shoulder the locals and tourists sit down, young and old.... everyone is tasting, drinking, dancing and enjoying life together at "Les Festines" of Le Pizou. Moules-frites, lamb and sheep on the spit, duck breast, foie gras, goat cheese, crepes, ice cream, candy, fine wines and live music. In short there is something for all tastes in the "Le Pizou" experience.
