

Monday morning market in Chalais

Chalais is situated just 10 minutes drive from Aubeterre and offers, besides the splendid "Relais du Château" restaurant situated in the chateau overlooking the town (see tips: Hotels & Restaurants), various little shops, bars, a large supermarket and a small train station. On Monday morning Chalais is dominated by the local weekly market offering stalls through out its main streets. Again, there are plenty of stalls selling regional specialities, clothing, jewelry, bags, etc. and even live poultry for the lovers of a fresh laid egg.
