

## Relais du Château Chalais

is an authentic castle with a rich history and undoubtedly one of the highlights of Chalais, a small town about 10 minutes drives from Aubeterre. For a long time the château belonged to the family "Talleyrand-Périgord", former Princes of Chalais, who lived here from the early 14th century until 1883. And still this place exudes an atmosphere of unparalleled charm and romance of bygone times..... Today the castle houses the gourmet restaurant the "Relais du Château", where you are guaranteed an afternoon or evening of culinary and stylish enjoyment. The prices of the menus are slightly higher than average: around € 30 per person.
